Warehouse information

General price information

Since our suppliers not only increase their prices but also reduce their discounts, partly at the same time, we may have to increase our prices and adjust our discounts.

We have offset the 5 % inflation surcharge from Schomburg & Graf against the discount.

With immediate effect you will receive only 18 % discount on Schomburg & Graf articles (up to now 22 %) until further notice.

Unfortunately, we continue to receive new price increases on a daily basis, which we cannot inform you about in advance.

We ask for your understanding.

BNS, Mainz - Unit surcharges as of 01.09.2022

The company BNS also has to react to the price increases and will charge unit surcharges on some articles from 01.09.2022 onwards.

For detailed information, please refer to the attached letter from BNS and the individual lists of unit surcharges.
