04 MARCH 2023
9 A.M. TO
2 P.M.**

„NEW YEAR, NEW LUCK“

Dear member companies

„New Year, New Luck“

With this in mind, we wish you first of all a healthy and successful new year.

The new year 2023 starts at ZEL eG in Bochum with a new edition of our newsletter and we very much hope that you like the new design.

We would be very pleased to receive your feedback, suggestions and ideas for improvement.

Please also use our newsletter as a platform to advertise your interests - for example under Wanted/Found or Buy/Sell. Please do not hesitate to contact us.

If you would like to receive the newsletter at a different e-mail address, just let us know.

Please take into consideration that from now on we will upload the figures, such as the current price list, future price increases or price changes from/to, as well as the list of items no longer in stock, updated at regular intervals on our ZEL website in the download area.

Have fun taking a look...

INVITATION TO THE OPEN DAY AT ZEL eG IN BOCHUM

„We do have this item in stock,“ is the answer our staff often give when asked if we have any special items in stock. If you want to know more, you are warmly invited to our **open day on 04 March 2023** (minimum number of participants required).

From 9 a.m. to 2 p.m., all your buyers and/or field staff will have the opportunity to get to know our warehouse and the articles stored here in Bochum.

In addition, from 11 a.m. to 12 p.m., the company Renia, Cologne, will give a short lecture on the subject of „Is it always the adhesive's fault? - Arguments and solutions for common gluing problems“, here on site.

A warehouse tour is possible continuously and of course you can also take goods directly with you on this day – certainly including pre-ordered goods.

For further planning, please **let us know by 03 February 2023** how many people you would like to travel with. Please send your binding registration to **Ms Sabine Nowak (sabine.nowak@zel.eu)**. If you need accommodation, please contact us.

For your culinary well fare will of course be taken care of. We look forward to your visit.

PRODUCT NEWS

PRODUCT PRESENTATIONS

ZEL INSIDE

INTERVIEW with ANDRÉ KELLER

Activity at ZEL:

Head of warehouse logistics; among other things, picking, inventory controls, safety checks and professional as well as motivational leadership of the team.

Hobbies/Interests:

Family, Sport, Reading.

What is important for me:

Family/friendship, respect, honesty, determination

My motto in life:

„Small steps are better than no steps.“

That's what I like most about my job:

I enjoy working with my team, as well as the varied activities and the pleasant working atmosphere.

My aims resp. vision:

...to develop myself personally, to expand my expertise, to take on more responsibility and to increase my assertiveness. Above all, to successfully shape the future of ZEL together.
